## SHARE CERTIFICATE ACCOUNTS

Share Certificate Accounts are fixed rate accounts. Rates are based on 3Rivers investment rate and are declared on a weekly basis. Dividends are compounded daily and paid the last day of each month. The rate and APY will be in effect for the term of the certificate and are based upon the assumption that dividends will remain on deposit in that account until maturity. Premature withdrawal will reduce earnings. Certificates automatically renew at maturity unless funds are withdrawn from the account within seven calendar days after maturity or if 3Rivers receives notice within the grace period of seven days. If funds are withdrawn before the maturity date, an early withdrawal penalty is applicable and may include principal.
